Privacy policy

Cookies

This website can use cookies to improve the service. The decision to allow the use of cookies on this website is entirely yours. It should be noted that the site works optimally only if cookies are enabled.

 This website works optimally only if cookies are enabled.

What are cookies?

 Cookies are small files that your browser saves on the disk when you visit our website. This allows our website to recognize your computer when you visit us next time so that we can offer you a more personalized experience. Cookies are not aimed at spying on a user and do not follow all that the user is doing and are not a malicious code or virus. Also, cookies are not related to unwanted messages or spam, they can not save a password and are not intended solely for advertising. Information such as your name or email address will not be saved – the website can not access your personal information and files on your computer.

 In order to use cookies in accordance with the Electronic Communications Act, the Personal Data Protection Act, EU Directives 2002/58 / EC and 95/46 / EC and the GDPR directive, we need your consent.

Types of cookies

Cookie Sessions and Permanent Cookies
 Session cookies are temporary cookies that run out after you leave the web site. These cookies are required for the proper performance of certain applications or functionalities on this Site. Persistent cookies are used to improve our users' experience (eg, remember the details of the application so you do not have to enter them every time you have a website). These cookies remain in the cookie of your browser for a long time. This time period will depend on the choice of settings on your Internet browser. Permanent cookies allow data to be uploaded to the web server each time you visit the site.

First and Third Party Cookies
 First-party cookies – released by this site. These cookies are often used for the proper functioning of the website and for remembering your preferences on the web site. Third-party cookies are cookies that are placed by other websites or services such as YouTube. We have no access or control over these cookies. You should consult the relevant third party privacy policy. If you are in the European Union, you can learn more about how third-party users use this type of cookie on the following link: http://www.youronlinechoices.eu/ .

Necessary and other cookies

Privacy policy

Necessary cookies are necessary for the operation of our website and the use of its features and / or services. For example, they allow you to navigate through the website and sign in to safe areas. By using this website you will automatically be granted access to the necessary cookies without which the website can not work. Performance cookies collect information about how visitors use our website, for example, which pages visitors most often come across and receive error messages from those pages. These cookies do not collect the information that identifies the visitor. All information collected by these cookies are anonymous. They only serve to improve the functioning of this website. Functional cookies allow our website to remember the choices and adjustments you made during your visit and provide enhanced personal features. For example, remember to change your language preferences or currency preferences. They can also be used to enable third parties (such as AddThis) to provide social sharing tools and remember your preferred sharing services. Marketing cookies are used to track visitors through the web site. It is intended to show ads that are relevant and interesting to a particular user, and thus more valuable to publishers and third-party advertisers.

Google Analytics:

This website uses Google Analytics, a web analytics service provided by Google Inc. ("Google"). Google Analytics uses cookies to analyze your use of the website. The information generated by the cookie about your use of this website (including your IP address) is uploaded and stored on a Google server in the United States. Google uses this information to evaluate your use of the site by providing activity reports on the Website Operators website. Google may transfer this information to third parties, if required by law, or if third parties process data on behalf of Google. Google will not associate your IP address with any other data Google owns. See the Google Privacy Policy at the following link: http://www.google.com/analytics/learn/privacy.html   .

If you do not want Google Analytics to collect this information, you can install Google's plug-in for your browser to prevent it. The plugin can be downloaded here: https://tools.google.com/dlpage/gaoptout

More information on how Google uses the data collected from our web site can be found here: https://policies.google.com/privacy/partners?hl=hr&gl=uk

How to accept or reject cookies

You can always block the use of some or all of the cookies we use on our website, but this may affect its functionality.

You can also accept or reject some or all cookies by customizing your browser settings. The following links provide information on how to change the settings for some of the most commonly used web browsers: [Mozilla Firefox](#) , [Google Chrome](#) , [Microsoft Internet Explorer](#) , [Apple Safari](#)
,
[Opera](#)
. Some browsers allow you to surf in "anonymous" mode, limiting the amount of data set on your computer, and automatically deleting persistent cookies placed on your device when you
