

With a wide variety of everyday dishes, at reasonable cost, and delivery Vemag done in the office, which wants to allow employees a better and healthier food in their workplace. The restaurant "rack" and the "Premio" is beautifully decorated and specially equipped VIP lounge where, in the comfortable surroundings you can enjoy the rich cuisine.

In August of 2009. we opened a restaurant BRIDGES (the Vela) at Radnička street 1a, Zagreb. We want our guests for lunch and dinner, offer a serious, elaborate, gastronomic valuable food, which is based on fresh ingredients, loyal and reliable suppliers. I sincerely believe that the seriousness of the cooking, the seriousness of the relationship to natural foods, and unconditional respect for the customer as the only real reason why restaurants do exist, can be implemented with reasonable prices.

Guests can enjoy the pies - national product in the form of working masters of national cuisine from Macedonia to consumers closer to the original okus. The restaurant was built on and original bread oven, enabling guests to enjoy the beautiful view of the top culinary specialties and original dishes from the grill that is prepared right in front of them. The restaurant's offer includes drinks, beverages, wine, desserts and cakes which are also prepared and created for the domestic production as well as vegetarian cuisine. For our product portfolio and manufacturing use only domestically produced products. With a taste of local cuisine and you'll enjoy the sounds of the band who will live and entertain ensure a pleasant atmosphere and good mood.

Welcome!
